## **Good Friday Collection for The Holy Places:**

Extract from a Letter from Cardinal Sandri, Prefect of the Congregation for Eastern Churches, exhorting generous support for the Annual Collection for the Holy Places on Good Friday:

“The last year has been one of trials for everyone and so also for the Holy City of Jerusalem, for the Holy Land and for the small Christian community that lives in the Middle East that seeks to be the salt, light and leaven of the Gospel. In 2020 the Christians of these lands suffered an isolation which made them feel even more distant, cut off from vital contact with the brethren from other countries. They suffered the loss of work due to the absence of pilgrims, and the consequent difficulty in living with dignity and providing for their families and children. In some countries, the persistence of war and sanctions compounded the effects of the pandemic. In addition, part of the economic aid that the Collection *pro Terra Sancta* guaranteed each year fell short due the difficulties in having the Collection in many countries.

May this year’s collection *pro Terra Sancta* be an opportunity to recognise the difficult situation of our brothers and sisters in the Holy Places and to lighten their burdens. If this small gesture of solidarity and sharing fails it will be more difficult for many of them to resist the temptation to leave their country, more demanding to support the parishes in their pastoral and educational work and harder to maintain the social commitment to the poor and suffering. The sufferings of the many displaced people and refugees who have had to leave because of war call for an outstretched hand to pour the balm of consolation on their wounds. We must not give up in taking care of the Holy Places that are concrete proof the incarnation of the Son of God and the sufferings of his life and death for our salvation.”

## **Gift Aid**

Is a government scheme which allows our parish to reclaim tax paid on donations.

We can claim from HMRC, the basic rate of tax on any donations which have been paid. Gift Aid increases the value of donations by 25%, so it means even more money goes to our church – and it won't cost you extra!

For anyone paying tax, please consider using Gift Aid as it means our parish will receive an extra 25p for every £1 donated.

If you are interested in joining the scheme, please collect a form from the back of the church and return it as soon as possible.

**Gift Aid Envelopes for year 2021/22 are now available at the back of the church for collection.**

## **Diocesan Novena to St Joseph**

All parishes and diocesan groups are invited to take part in a Diocese-wide Novena to St Joseph through the last nine days in April, leading to the Feast of St Joseph the Worker on Saturday May 1st. The intention of the Novena is to seek St Joseph's protection in our present need, particularly for our families and young people.

Various prayers are available. <https://yearofstjoseph.org/devotions/prayers/>.

## **Organ Donation Register**

Please find, below, a statement by the Bishops' Conference on Scotland's new presumed consent system of organ donation. The Catholic Parliamentary Office has also produced a short article including details for people to access and update the organ donation register. You can access it via this link: [Organ donation: Bishops' Conference statement on move to 'presumed consent' – Catholic Parliamentary Office \(rcpolitics.org\)](https://rcpolitics.org/organ-donation-bishops-statement)

'The Bishops' Conference of Scotland acknowledges organ donation after death as a noble and meritorious act to be encouraged as an expression of generous solidarity. It is a gift and a sign of great love for one's neighbour. However, fundamental to the generous act of organ donation is its voluntary nature and, thus, the requirement for explicit consent. An opt-out system of organ donation may result in organs being taken after death without the deceased having previously given explicit consent. Individuals should take great care to be clear about whether they would like to donate their organs when they die. Their intentions should be reflected on the organ donation register and made known to relatives.
